

## Come Join Us at Tokyo Game Show!

Alpha is excited to announce that we will be attending Tokyo Game Show 2019.

We'll be there exhibiting during the business days of the event, 12-13 September. If you're attending TGS 2019, stop by and say hello. Alpha would love to show you the human side of translation and localization.

Don't have a ticket yet? Not a problem! If you're interested, we have a few additional tickets, both for business and public days, simply go to <https://games.thisisalpha.com/> and enter your details in the contact form. We'll be in touch!
